The First Cy-TEST Workshop

THE FUTURE OF CYTOLOGY IN EUROPE

Graz, March 13rd, 2015

Medical University of Graz
Institute of Pathology
Auenbruggerplatz 25, 8036 Graz
Mikroskopierraum Room Nr. E-46

Registration on site
14.00-14.30

Deadline for registration: 11st of March 2015

Workshop Introduction

This workshop is designed for all professionals involved in cytology. Pathologists, pathology residents, cyto-technicians, medical students and student technicians are welcome to participate. This meeting will provide information regarding different initiatives, some of them part of the European Commission's Lifelong learning programme, available for cytologists.

Considerations about European certification for cytologists and new programmes (**Cy-Test**) to perform on line exams will be shown.

Some free on line training systems on cytology will also be presented: **Eurocytology**, with a consistent collection of educational material; **Taste** with 150 interactive cases/exercises presenting artifact-damaged preparations with the possibility of viewing slides through virtual microscope on the web.

The workshop will also afford issues related to the diagnostic process (e.g. in pulmonary cytology) and to Quality Assurance.

The ending goal of the workshop is to exploit all services available for cytologists in order to improve their training and therefore knowledge and experience to reach a high standard in preparing slides and reach correct diagnosis.

Programme

14.00 Registration of participants

14.30 Welcome and EFCS presentation

Martin Tötsch, Medical University of Graz, Graz, Austria

....

14.50 The Cy-TEST Project

Emanuela Ovcin, COREP, Italy

15.10 The TASTE Project

Gianni Bussolati, University of Turin-COREP, Turin, Italy

15.30 The EUROCITOLOGY Project

Roberto Dina, Imperial College Healthcare NHS Trust

15.50 Coffee-break

16.10 False negatives in cervico-vaginal cytology,

Gianni Bussolati, University of Turin-COREP, Turin, Italy

16.30 Role and position of a FNA in the workout of LUNG nodules

Ambrogio Fassina, Università di Padova, Padova, Italy

16.50 IPATIMUP

17.10 Closing remarks

Workshop Programme and Organising Committee

Martin Totsch, Gianni Bussolati, Ambrogio Fassina, Emanuela Ovcin

Language

The official language of the workshop is English.

Fee

The participation to the workshop is free (no fee required). A maximum of 80 people will be admitted (by order of arrival).

Important Dates

11.03.15 Deadline for confirmation of participation to workshop

To register please confirm your participation to: Martin.Toetsch@klinikum-graz.at Tel: 0316/385-83223
